CONTINUOUS FENCING

An effective way to put up a great-looking pipe fence!

All three sizes are available in 20' lengths. The sections are five rails high with 4 upright braces. Continuous Fence comes in 1-1/2" and 1- 3/4" O.D. pipe sizes.

IT'S EASILY CONNECTED!

The Continuous Fence is truly the most economical way to build a pipe fence, working corrals for cattle or arenas, or a lovely entrance fence.
