To Achieve the Finishing Touch . . .

MoorMan's ShowTec Lean Maximizer® No. 11102DB

- A mini-pelleted supplement containing Paylean; 25-lb pail.
- Designed to be fed at 2–4 oz/hd/day when mixed with non-medicated feed to provide a complete ration containing at least 16% protein for the last 45-90 lb of gain.
- Provides 20% protein, 4% fat, & 1.2% lysine.
- No withdrawal.

MoorMan's ShowTec Show Prep No. 12303AAA

- A unique, complete feed designed specifically for feeding to exhibition swine the night before and the day of a show.
- Provides 15% protein, 5.5% fat, & no more than 6% fiber.
- One 5-lb bag provides two meals (2.5 lb per meal).

MoorBody™ No. 12111AAA15

- An energy and fiber supplement for exhibition swine.
- Designed to be fed with 2-4 lb/hd/day of a ShowTec Developer product to sculpt a winning show pig.
- Provides highly saturated fat sources to help develop a hard finish and enhance appearance of skin and hair coat.
- Provides citrus and beet pulp which creates gut fill, expanding rib capacity.
- Feed 0.5-2 lb/hd/day; 40 lb bag.

MoorMan's ShowTec Pig Navigator No. 10200DB

- A show pig top-dress, mini-pelleted supplement designed to enhance lean growth and muscle expression; 25-lb pail.
- Designed to be top-dressed at 4-8 oz/hd/day as a replacement for 1-2 lb of complete feed.
- Provides 44% protein, 8% fat, & 5% lysine.
- Contains Blue Lite Electrolytes™™ for tissue rehydration following periods of stress.
- Contains unique yeast cultures and an acidifier to promote proper intestinal pH and feed intake.
- Contains unique combination of L-carnitine, chromium picolinate, animal plasma, and essential amino acids.
- Provides chelated trace minerals to promote healthy skin and hair growth.

FIREWATER™ No. 11110BC

- Energy and electrolyte top-dress for exhibition swine, goats, sheep, and cattle.
- Use when concentrated sources of electrolytes and energy are needed, such as during showing, shipping, and periods of stress.
- Contains electrolytes which help replace lost nutrients needed for rehydration.
- Provides dextrose for energy and probiotics.
- Add 2 heaping scoops (approx. 6 oz) to approximately 18-24 oz of water and mix well before administering as a top-dress or drench; not to exceed 12 scoops (6 servings) in one 24-hour period.
- 36-oz container.

Alliance 3-D™ No. 12079AAA

- A top-dress supplement for extra dimension.
- Enhances condition and performance of exhibition livestock and horses; helps produce smooth, well-defined body condition along with healthy skin and a glossy hair coat.
- Provides soybean oil, flaxseed oil, and wheat germ oil along with vitamin E for its antioxidant properties.
- Contains the unique Nutreon® Antioxidant System to maintain product stability and protect nutrients.
- Top-dress 1 oz/100 lb body weight/day (swine).
- Available in one gallon (12079AAA74) or 40 lb (12079AAA7J) container.

MoorFat™ No. 235

- An energy supplement for exhibition swine.
- Enhances condition and performance of exhibition swine, sheep, and goats; helps produce smooth, well-defined body condition along with healthy skin and a glossy hair coat.
- Long-term feeding (minimum of 30-60 days) may provide a more preferred "finish" in exhibition livestock that are too lean in body composition.
- Animal fat encapsulated in a milk protein carrier.
- Top-dress 2-4 oz/hd/day; available in 20 lb pail (235AAA77) or 50 lb bag (235AA).

Fast Fuel™ No. 11850AAA26 Accelerating Power to Win™

- Unique, mini-pelleted, non-medicated, top-dress supplement containing nutrients believed to be beneficial to performance of exhibition livestock. *Fast Fuel gives Exhibition Livestock the "Finishing Touch" for a Championship Finish.*
- Provides octacosanol from wheat germ and stabilized rice bran.
- Provides natural-source vitamin E, Prospanse® yeast supplement, methionine, cobalt glucoheptonate, vitamin B₁₂, and thiamine.
- Top-dress 4-6 oz/hd/day; available in 25 lb bag.

FIRE EXTINGUISHER™ No. 12199AAA

- A unique top-dress supplement designed to help swine overcome the negative effects of heat stress.
- Contains Thermal Care™ S, a patent-pending technology that utilizes specially selected, research tested compounds to help overcome the negative effects of heat stress.
- Contains CitriStim®, PremiDex™, and Prospanse to assist in maintaining a healthy functioning gastrointestinal tract.
- 4 oz/hd/day feeding rate; mini-pellet form in 25 lb bag (12199AAAE6).

MILK REPLACER

Crate-Milk® No. 851700

- An all-milk protein and lactose, acidified baby pig milk replacer with a high nutrient density and special fat blend; 25-lb bag.
- Provides 27% protein, 15% fat, & 2.5% lysine.
